

# Free Technical Assistance

**Help is here and its available  
to small businesses  
and non-profits in the  
Katrina & Rita zones of Louisiana.**

**TechAssistLA pays Louisiana Technology Council  
members to provide free assistance in these  
targeted areas of service:**

- QuickBooks Consulting & Training
- Business Software Training
- General Technology Consulting
- Computer & Network Consulting
- Hiring Skill & Sales Training
- Web Development Workshops
- Technology Marketing -- Web, Email & more

**Apply online @ [www.TechAssistLA.com](http://www.TechAssistLA.com)**

**TechAssistLA** is a program of the Louisiana Technology Council funded by a grant from U.S. Department of Housing and Urban Development, Community Development Block Grants, Louisiana Recovery Authority and Louisiana Economic Development.

Businesses needing technology assistance are matched with professional members of the Louisiana Technology Council. From telephones to internet, web sites to accounting, security, system upgrades or expansion... **help is here and it's free to qualified applicants.**
